

Comares La Teja, 12,3K/3H

Suggested starting point: Parking place just outside Comares. Comares Arabic Castle in the height) is an old beautiful white washed town on 700 m above sea level. It is situated 24K from Velez Malaga. It has been an important defensive bastion due to its strategic position.

The walk La Teja is part of the balcony walks around Comares and the background is of course the fantastic views over the surrounding area.
